

Privacy Policy

Dcjanodesign has created this Privacy Policy (the "Policy") to explain our privacy practices. When you access our website, you should understand when and how personal information is collected, used, disclosed and protected.

We will not sell or disclose information to unaffiliated third parties without your consent except as otherwise provided in this Policy. We gather this information in order to validate information about parties viewing our website, and to create contact lists for parties who may wish to receive updated information about our company.

Dcjanodesign will revise and update this Policy if our practices change or if changes in the law so require.

Information Collected About You

We collect a variety of personal information about users of our website. Personal information is information that can be directly associated with a specific person or entity, such as a name, address, telephone number, email address, or information about activities directly linked to that person.

Here are the types of personal and other information we collect. You should refer to the rest of this Policy to see how we use, disclose, and protect that information:

Information You Give Us

We collect information you give us when you enter it into the Dcjanodesign website. For example, you may provide us a mailing address when requesting access to company information via our website.

Automatically Collected Information

We automatically receive certain types of information whenever you interact with us. For example, when you visit a Dcjanodesign Web site, our systems automatically collect your IP address and the type of browser you use.

Use of Personal Information

In general, we use personal information to serve the users of our website or services, to ensure the validity of requests to view Dcjanodesign information, and to send you financial information about Dcjanodesign as requested.

Network and Information Security

We maintain a variety of physical, electronic, and procedural safeguards to guard your personal information. For example, we use accepted tools and techniques to protect against unauthorized access to our systems. Also, we grant access to personal information about you to employees and contractors who need to know that information to provide products or services to you. You should be aware that Dcjanodesign has no control over the security of other sites on the Internet you might visit, interact with, or from which you buy products or services.

Updating this Policy

Dcjanodesign will revise or update this Policy as it deems appropriate, including for example, if our practices change, as we change existing or add new services, or if the law so requires. You should refer back to this page often for the latest information and the effective date of any changes.

If, however, users' personally identifiable information will be used in a manner materially different from that stated at the time of collection, we will notify users via posting on this page for 30 days before the material change is made. Users will have a choice as to whether or not their information will be used in this materially different manner.
